Pony-Life: Full-pony Consequences

John Sparkle who was Twilight Sparkles brother was one day in an office typing on a computer. He got an email from his sister that said that parasprites and hydras were attacking his place and aksed him for help so he went.

John Sparkle got his computer shut down and wet on the platform to go up to the roof of the building where he left his motorcycle and normal pony close because he was in his office lab coat. John Sparkle got on his motorcycl and said "its time for me to live up to my family name and face full pony consequences" so he had to go.

John Sparkle ramped off the building and did a backflip and landed. He kept driving down the road and made sure there was no zombies around because he ddint have weapon.

The contrysides were nice and the plants were singing and the birds and the sun was almost down from the top of the sky. the mood was set for John Sparkles quest to help his sister where she was. John Sparkle looked around the countrysides and said "its a good day to do what has to be done by me and help my sister to defeat the enemys".

John Sparkle was late so he had to drive really fast. A cop car was hiden near by so when John Sparkle went by the cops came and wanted to give him a ticket. Here John Sparkle saw the first monster because the cop was posessed and had parasprites.

"I cant give you my lisense officer" John Sparkle said

"Why not?" said the parasprite oficer back to John Sparkle.

"Because you are parasprite zombie" so John Sparkle shot the oficer in the head and drove off thinking "my sister is in trouble there" and went faster.

John Sparkle had to go faster like the speed of sonic Rainbooms and got there fast because Twilight needed him where she was. John Sparkle looked at road signs and saw "Everfree Forest" with someons writing under it saying "u shudnt come here" so John Sparkle almost turned around but heard screaming like Twilight so he went faster again.

John Sparkle drove in and did another flip n jumped off his motorbike and the motor bike took out some parasprite zombies infront of John Sparkle. John Sparkle smiled and trots fast. John Sparkle then looked on the ground and found madgic so he pickd it up and fired fast at zombie goasts in front of a house.

John Sparkle said "Zombie goasts leave this place" and the zombie goasts said "but this is our house" and John Sparkle felt sorry for them becaus they couldnt live there anymore because they were zombie goasts so he blew up the house and killed the zombie goasts so they were at piece.

Then John Sparkle herd another scream from his sister so he kept trotting really faster to get where she was. Evrfeer Forest was nothing like the countrysides there was no birds singing and the pants were dead and teh dirt was messy and bloody from parasprites.

When John Sparkle got to where the screaming was started from he found his sister Twulhgt Sparkle fightin the final bosss and Twilight said "John Sparkle! Over here!" so John Sparkle went there to where Twilight Sparkle was fighting. John Sparkle fired teh madgic from his horn really fast and the madgic went and shot the final boss in the eyes and the final boss couldnt see.

Twilight Sparkle said "its time to end this ones and for all!" and kicked the final boss in the face and the final boss fell. John Sparkle said "thanks i could help, brony" and Twilight Sparkle said "you should come here earlier next time" and they laughed.

The laughed overed quickly though because John Sparkle yelled "LOOK OUT BRONY!" and pointed up to the top of the sky. Twilight Sparkle looked up and said "NOO! John Sparkle gallop out of here fast as you can!" and John Sparkle trotted real fast out.

John Sparkle loked back and saw Twilight get steppd on by the next boss and he was mad and angry.

"I'll get you back evil boss!" John Sparkle yelled at the top of lungs.
